CHICK FLICK SLIT-LICK!

Last Saturday night I went over to my best friend Tina's place to watch a DVD with her. The movie was one of those romcom things that Tina and I are such suckers for. So there we were, sitting on Tina's sofa with a bag of corn chips and a couple of glasses of chilled wine on the table in front of us. Heaven! Some way into the movie, after a few tears and a lot of laughter, I became aware that Tina had snuggled up a little closer to me. I thought nothing of it until, during a steamy clinch scene, I began to feel a faint rhythmic juddering motion. Glancing aside to detect the cause, I saw that Tina had her hand down the front of her jeans, and was vigorously rubbing herself down there.

"Whoah, girl!" I spluttered, with a bewildered half-smile. "What the hell are you doing? I mean, I can see what you're doing. It's just so..."

"Inappropriate?" a smiling Tina panted in reply. "Sorry, sweetie – just couldn't help myself... This movie's just gotten me... so damn horny..." All the while, Tina was continuing to frig herself.

"You know what?" I told Tina. "Suddenly I lost interest in the movie." I pressed pause on the remote. "Mind if I..?"

I proceeded to undo Tina's zipper, and pull down her jeans. And no, she didn't mind at all – just kept on rubbing, rubbing, rubbing. Intensely aroused, I did likewise, after swiftly removing my own jeans.

This was a whole new experience for me, and most likely for Tina too, and soon I found myself desperately wanting to know the taste of her pussy. It would be so easy to just lean down, pull the crotch of her panties aside, and stick my tongue in there... So easy, in fact, that that's just what I did – and again, Tina didn't mind. How did I know? The long sighs of "Yeahhh..." that she let out gave me a big, big clue. That, and the way she arched her back and removed her quivering fingers to allow my tongue easier access.

Gripping Tina's quivering thighs, I rapidly poked my tongue in and out of her sweet,

puffy punani, eliciting more blissful sighs from her. Then, when her sighs became quicker and more guttural, I knew she was about to cum. I had to move fast now, so swiftly clamping my mouth over her pussy, I gulped down her juices as she convulsed in orgasm.

"My turn now," I told Tina after a moment, and she gladly went down on me like a seasoned pro, kneading my clit all the while. After about five minutes of this, clever Tina had me peaking in an overwhelming orgasm.

As Tina and I embraced in post-orgasmic rapture, none of this felt weird anymore. Stroking each other's soft flesh, we started to grind our pussies together, like we were fucking. And suddenly we were both horny all over again. Freaky? Maybe, but it felt so very nice as we shifted into the 69 position. With Tina on top of me, I massaged her sweet asscheeks while savoring tangy mouthfuls of her sticky pussy. Soon she was cumming in my mouth while eating me out down below, even plugging me with some kind of dildo she'd sneakily retrieved from under the sofa. That's what brought on my next climax, bringing the score to two apiece. Not bad, huh?

After a few more minutes feeding each other corn chips in

the afterglow, Tina turned to me and purred, "Mmm... Want to watch the rest of that movie, hon?"

"Movie?" I replied with a giggle. "What movie?"

Loving your lesbos, *Club International*! For me, those regular girl/girl photosets are the best feature of the magazine, and the main reason I keep on laying my money down for the latest copy every four weeks. Of your recent two-girlers, *CI* Holiday 2008's of Sonia and Tea stands out as a highlight. Of course, I'm confident there'll be another equally sexy pairing along sometime soon, but in the meantime, that Holiday 2008 edition has repaid repeated re-visiting, if you know what I mean. And if you don't know what I mean, I'll spell it out: I've beaten off over Sonia and Tea's pictures more times than I can count – and I haven't stopped yet! So thank you for the lesbos! *Hard-on for Honeys, Wyoming*.

We're sure you'll also be wanting to thank us for Lucy and Vivien this issue. You're welcome.

DATE WITH A DIVA!

Some say it's hard to pin down a porn star, but Samantha Sin is very easy to track down, at least on Tuesday nights. Because on Tuesdays from 10-11pm PDT on www.rude.com/tv, she and Darryl Hanah co-host *Dirty Divas*, RudeTV's "insightful reality show." For Samantha, it's a dream job.

"I've been looking for ways to give my fans a fun behindthe-scenes look into my world," she said. "When the opportunity to co-host *Dirty Divas* came up, I knew I had to go for it."

RudeTV creative director Wankus commented, "It's a big bonus for us to feature a star that's such a knockout like Samantha Sin. When you add brains, class and an incredible personality, it really gives the fans the full package. They can look forward to every show."

It'll be their regular Tuesday night date with a porn star! ♣

The winning grin of Ms. Sin

SMUT NUGGETS!

The classics don't go gently into that good night, which one supposes is partly what makes them classics. So distributor IVD are onto a winner putting out their Blue Vanities collection of vintage American and European erotica from the 1920s to the 70s. Each title in the series has been re-mastered for a first-time release on DVD. "We're at about 100 Blue Vanities titles, with hundreds more to come," IVD Public Relations Manager Alexandra H said. "Antique erotica is

hot right now. Everyone's asking for it. The *Blue Vanities* DVDs make great additions to any vintage erotica collection."

So get one today, and have a blast from the past!

SASHA'S SLASHER!

When you're the reigning AVN Female Performer of the Year as well as one of the most beautiful girls in porn, the opportunities are practically endless. Besides continuing her illustrious adult film career, sultry starlet Sasha Grey has also branched out into mainstream movies, with a, uh, meaty role in Smash Cut. In this slasher flick, Sasha plays a TV news personality who goes undercover as an actress in a horror film to discover her sister's killer. Other stars in the film include David Hess (Last House on the Left), Michael Berryman (The Hills Have Eyes) and Herschell Gordon Lewis (Blood Feast). A sex-free film role for Sasha? You'd better believe it, given that director Lee Demarbre has said, "The only penetration is by knives and axes!"

Hey, Lee – as long as you return her as sexy as she was before, penetrate at will! \clubsuit

PHOTOGRAPHY COURTESY OF PETR MAUR

STRIPPING FLESH!

She's conquered the porn world, and now she's taking on the mainstream, shedding one article of clothing at a time. Jenna Jameson shares top billing with Robert Englund (best known as Freddy Krueger in the Nightmare on Elm Street film series) in Zombie Strippers, the grindhouse-style movie coming to a big screen near you. You'll love the plot: After a chemical

spill in Nebraska, the toxic gunk makes its way into a local strip joint, turning the workers there into super zombie strippers (the best kind of zombie strippers, according to several experts contacted by *Club* International). The movie's publicity folks inform us that Jenna becomes a "supernatural, flesh-eating zombie stripper." Hell, all they had to say was that Jenna was a stripper to make sure we'd be first in line! 💠

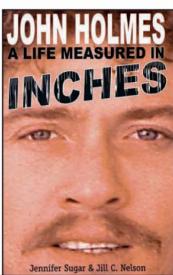

THE BIG STORY!

He was porn's biggest star – in more ways than one. John Holmes' story is so fascinating it sounds more like fiction: Porn's most famous personality

and possessor of its biggest cock, drugs, a controversial murder mystery... Heck, his life had all the makings of a movie! Oh, right, they did that already with the 2003 film Wonderland, starring Val Kilmer as Holmes. Now the new book John Holmes: A Life Measured in Inches, written by Jennifer Sugar and Jill Nelson, published by Bear Manor Media, sheds more light on Holmes' life, death, and everything in between. Sugar explained that she was inspired to write the book after seeing Wonderland: "The true crime aspect of the story initially intrigued me," she said. "But I felt there was more to the story about the murders and also about John." Truly, the man's legend looms large. 4

TALKIN' LOUD!

These days, porn stars aren't just for looking at – they also have plenty to say! In their latest effort to merge the worlds of pornography and rock 'n' roll, the dynamic duo of spouses Tera Patrick and Evan Seinfeld are hosting Rock Star Porn Star on Sirius Radio, every Tuesday at 9pm PST. It's a talk show featuring porn star and rock star guests, as well as entertainers from other media forms. Guests to date have included Jenna Haze, Jane's Addiction guitarist Dave Navarro, former Hell's Angels bigwig Chuck Zito and tattoo artist Kat Von D. No one's better placed to attract such names than Tera and Evan. Said Tera, "Our perspective on the adult and mainstream worlds is unique, and we bring that to our show." For his part, hubby Evan commented, "Doing this show is a blast. We're proud to bring our celebrity friends onto the show for their unique perspective."

VIVID ENTERTAINMENT'S

THE NIKKI JAYNE EXPERINCE

WHEN A FUCK FLICK FLEDGLING STEPS UP TO THE PLATE, OUR GUY ACME ANDERSSON IS THERE TO CHEER HER ON!

he introduction of a new Vivid Girl is always worthy of celebration, and nasty newbie Nikki Jayne is no exception. She comes out in a big way in the B Skow-directed *The Nikki Jayne* Experiment. This one's a two-disc set comprising six scenes, four of them starring the titular Nikki, a sumptuous blonde freshly imported from England, who also happens to be this issue's interviewed porn star.

And these aren't just any scenes. In one, Nikki teams up with fellow Vivid hottie Meggan Mallone to do a guy; in another she does anal; in yet another she does a DP; and then there's the surprising send-off that she shot especially for her new fans who will be numerous once they get a taste of this beauty. Also appearing is Veronique Vega as well as a gaggle of guys. Did we really say "gaggle"? Yes, we did. (Look it up, it works!)

Nikki let us tag along when she shot her scenes at a house in scenic Silver Lake, California, the hilly hipster stronghold of Los Angeles. She proved to be as pleasant as she is pretty. And did we mention how filthy she is? She's that, too...

Nikki is skiing. Sitting on a mattress in a cluttered room, she's working a cock in each hand. To her right, Mick Blue. To her left, Ben English. She smiles and moans as she jerks them in unison, then drops to the floor so her mouth is at cock level. She takes turns gobbling the guys' peckers, sucking on one while stroking the other, then switching. The guys line up so she can make the trade more easily - so easily, in fact, that at one point she nearly swallows both cocks at once!

Ben makes the first move. As Nikki bends over to suck on Mick's dick, Ben divides her pink slit, instructing her to open her labia. Once that gash is wide, he slides his dick into her hole, then lets loose. They move back onto the mattress, where Ben pulls Nikki's asscheeks apart, allowing himself and the camera an improved view. At first she looks back at him, grunting her approval, then gets back to polishing Mick's knob.

Come Mick's turn, he gets beneath her for a reverse cowgirl as she steadies herself by hanging onto Ben's big rod. She and Mick find their rhythm quickly, and they build up

to a frenzy that culminates with her first orgasm of the day. Once she guits shaking, Ben moves in closer, pumping his cock into her mouth.

"Grab that cock and put it in there!" Ben demands as he takes over the low-ball position. She reaches back, spreading her buns apart. Mick sees an opening - her back door - and promptly goes for some lube. He dumps it generously down the split of her buttcheeks, then rubs it in.

back at Mick sliding his meat into her asshole, completing the DP. She moans ecstatically as the guys pick up steam, one in, the other out, until they're all moving like a well-oiled machine.

Once Mick has pulled out, Ben takes over booty duty. Nikki manages to call out a couple of "Oh yeah!"s before Mick slips into her mouth and cleans it while bobbing up and down on Ben's rod. As her ice cream scoop tits bounce in synch, Mick is quick to return downstairs, this time taking the vag half in the DP. When Ben takes a minute's off-screen break, Nikki and Mick roll over, and the latter continues in her cooch. That leaves Nikki's back door wide open for Ben to quickly enter on returning. She grips the side of the bed, trying to hold her ground as the guys go to town. One hole each, pummeling her like a couple of old pros. And Nikki loves it.

Verbally, Nikki doesn't say much, but still she maintains a vocal volume that necessitates doors having to be closed for fear of rousing the neighbors. She's an intense performer who obviously enjoys her work. As both guys lie on the mattress,

pussy. Stroking himself, Ben tells her what a dirty girl she is. She turns her head and Ben's dick is there, so she draws it into her mouth like a smoker inhaling.

"YEAH!" NIKKI EXCLAIMS. "SHOOT THAT LOAD ON MY FACE! EXPLODE THAT COCK ON MY FACE!"

"You ready for some cum?" Ben asks. "Yeah!" she gleefully exclaims. "Shoot my face!"

The guys, one on each side of her, both jerk off in a race to the finishing line. She looks up at them sultry-eyed and ready, repeating her call for them to blast her mug. She cups the balls of each of them, switching her gaze from one to the other as

ON SET

Come on, feed it to me," Nikki pleads. That's it for Mick, who cashes in on her tongue. Ben soon follows, dumping a massive load on the bird's fresh skin. She strokes each, looking up at the camera, then squeegees some spoo into her mouth, and that's a wrap.

Allyssa Hall kicks off the next scene by spreading flavored lube all over her shaven snatch, and asking Alec Knight if he wants a taste. Spreading her legs wide, she lets him know exactly what she's talking about. He nearly scrapes himself up diving down toward her hole, where he gives her a long, hungry licking. She tells him she wants to fuck, but he pit stops at her mouth to make sure his cock is at optimum lubrication. Next stop: Allyssa's puffy snatch. She spreads her legs, pulls them back so that her knees are by her ears, and then uses her fingers to prop open her hole as he slides slowly in. She plays with her clit as

"FUCK ME HARDER! MAKE ME CUM! TELL ME YOU LOVE MY TIGHT PUSSY! POUND THAT PUSSY!"

he penetrates deeper. When they segue seamlessly into doggie-style, Allyssa gets vocal: "Fuck me harder! Make me cum! Tell me you love my tight pussy! Pound that pussy with your experienced cock!"

"Experienced?" Alec graciously lets that pass, and lies back on the couch so Allyssa can get up to ride. Her B-cup tits look large on her 100-pound frame, bouncing in circular motions. Putting his hand behind her knees, Alec pulls Allyssa toward him, her stuffed gash protruding as her fingers dance up and down her clit. She moves forward again, grinding down on his hardness, her moans increasing in volume. Alec helps her bounce by holding her ass up with his hands.

"I'm going to cum again!" she announces loudly, squirming hard on his dick.

She turns around toward him, her titties bouncing in his face as he spreads her asscheeks wide. "Oh, I love your cock," she screams, smashing down onto him.

The pair whisper sweet somethings to each other, after which they go back to doggie. She pushes her small ass as high into the air as it will go, and Alec thanks her with long, slow thrusts. With both hands reaching back to spread her buns apart she whimpers, "I'm gonna cum again! I love your cock so fucking much, omigod, I'm cumming! I'm cumming!"

She shivers and shakes as he keeps on fucking her through the latest orgasm.

➤ This being Nikki's Vivid debut, she's requested that she be able to close out the DVD with something special – a POV blowjob scene; the closest she can get to sucking off each and every viewer. It goes something like this: "It's now the end of the movie," she purrs into the lens, "and I've taken so much, I think it's time to give back. Unfortunately, I can't be in a million places at once, so..."

Evan lies back on a table, head out of shot, as Nikki jerks and gobbles him, her eyes fixed on the camera. "I hope you've got that dick nice and hard for me," she says, jerking Evan's dong with both hands. "I want you to squirt that big cock all over my face," she continues seductively. "Do you like it like that? I hope you're ready to explode that cock all over my face!"

She jerks and greedily sucks Evan, working hard for her creamy reward. When he gives the signal, she jerks him to blow, and love cums in spurts. "Bye," she says dreamily. "See you later, guys."

You bet you will. This girl Nikki is nasty to the max, and she's going places. For more of her and her fellow Vivid girls, point your browser to www.vivid.com.

TUS FOR BUTS!

WE'RE JUST CRAZY ABOUT THE ASSES ON OUR FAVORITE PORN CHICKS! THOSE GREAT QUIVERING GLOBES OF FLESH FILL OUR FANTASIES AND OUR TV SCREENS, AND BRIGHTEN EACH DAY WITH THEIR BOUNCY BENEFICENCE. WE COULD GO ON AND ON — SO WE WILL, WITH THIS HERE GUIDE TO OUR TOP TEN TUSHIES...

TAIL OF THE TAPE

The 32-25-39 Naomi is a refreshingly different kind of porn star. Born in LA of mixed Czech and Israeli parentage, she's also clearly visited the planet of the hot butts. Debuting in 2005, she quickly got herself known for intense anal scenes and made such a splash she won the AVN New Starlet of the Year award in 2007. She didn't turn up to collect it, though – she probably couldn't get up off that ass.

PUMP THAT RUMP

Seasoned ass-watchers (i.e; you and us) will be disappointed to note the reduction in the size of Naomi's ass. At the start of her career it was a bubble visible from the moon, since when it's been pared down dramatically. She says her new figure is her natural one. Well, everything natural ain't great. Jellyfish, for example.

POP THAT BUBBLE

We quickly lost count of the cocks she worked over in Red Light District's *Gang Bang 5*, but we got up to "a whole lot." There's more raw DP in Evil Angel's *Angel Perverse 4*, and ain't nothing wrong with her work in Jules Jordan Video's *Ass Worship 9*.

Belladonna

TAIL OF THE TAPE

How much do we really need to tell you about the multiple award-winning modern hardcore legend that is Belladonna? The 34C-25-34 babe from Biloxi has been milking cocks and eating pussy since 2000, earning a reputation for intense sex, deep-throating and pushing the boundaries both of herself and her viewers.

PUMP THAT RUMP

It's all in the arch of the back – that's the secret to Bella's ultra-inviting booty. When she sticks that rump out – prior to an anal long-dicking from Lexington Steele, perhaps – it's all over. She might mostly do girls these days, but she's left us with legendary ass-packing scenes aplenty to rewind again and, yes, again.

POP THAT BUBBLE

2002's Ass Worship 2 from Evil Angel tells you everything you need to know about Belladonna's sexual specialties – DP, A2M, DAP... Heck, even if you don't know what these things stand for, you just know they're gonna be nasty. To see how compelling she makes girl-only porn, check out her own work, such as Belladonna's Fucking Girls and her Evil Pink series.

Katja Kassin

TAIL OF THE TAPE

If the Berlin Wall hadn't fallen, we might never have witnessed the all-conquering Germanic charms of Leipzig's own Katja Kassin. It turns out the wall was in fact hiding her 34B-26-36 figure and succulently meaty ass. One of porn's hardest working sluts – nearly 500 titles in five years – the multi-lingual meat-milker is a big fan favorite who never puts in a bad scene.

PUMP THAT RUMP

With an ass that is chunky but funky (and frequently spunky), it's no surprise Katja carried away the Best Orgasmic Analist award at the 2005 XRCO awards. She's rarely in a non-anal scene, and is no stranger to DP's, gangbangs and interracial action. In fact, she's the epitome of a good-time European gonzo girl, to which we say to Europe: keep 'em cumming!

POP THAT BUBBLE

Red Light District's *Anal Expedition 2* is pretty much Katja's calling card – no-frills gonzo fucking, with every hole a goal. She takes 'em all on without blinking. The same studio's *Gang Bang 4* sees her doing damn near everything you legally can in a US porn movie.

TAIL OF THE TAPE

If things had been different, Sunny Lane might never have blessed porn. The 36C-24-34 strawberry blonde from Georgia was a competitive ice and roller skater, and was even preparing for Olympic trials in ice dancing. Well, sport's loss is our gain, and now the wonderfully pale wang-exciter is an AVN award winner and an in-demand star as well as a popular feature dancer. Skating indeed.

PUMP THAT RUMP

Up there with Alexis Texas, Gianna and Velicity Von as the possessor of one of the best white bubble butts ever, Sunny did the same as Alexis and kept her butthole out of bounds for the first few years of her career. Her anal debut, when it finally came, was suitably explosive. We're still waiting for a repeat, but we'd be happy to see this great cocksucker just eating dick for the rest of her careers. Or ours. Whichever is the longest.

POP THAT BUBBLE

Sunny's only anal scene to date came in the superb *Big Wet Asses 13* from Elegant Angel, but other butt-based movies show her off to great effect too. Try Zero Tolerance's *Apple Bottomz 5* or Tom Byron's *House of Ass 9*. Imagine that, a house of ass...

Best tit-fucking? Best sloppy blowjobs? Most underrated? Yep, yep, yep. AVN evidently agree, having given her a gong for Unsung Starlet of the Year. Well, she ain't unsung over here.

PUMP THAT RUMP

So, she's got it going on in front, but she's also got a whole lot going on at the back too, and, just like that rack, it's completely natural. There's no anal on her résumé, but we'll forgive her pretty much anything as long as we get to see her lower that pussy down onto a dick in reverse cowgirl, shot POV-style for maximum buttock enjoyment, for at least a few years more.

POP THAT BUBBLE

There's hardly a duff note among her nearly 300 scenes, but she's magical in Jack's POV 4 from Digital Playground. If you want a whole lot of her - and there's plenty to go around - dig out *G for Gianna* from Evil Angel. She's in every scene, and it's a work of art.

NATALIE

ay hello to nude newbie
Natalie, the box-fresh babe
who's made the leap from
Hicksville to our centerfold in
one fell swoop – and without
even getting out of bed, yet. A
small town girl Natalie may be,
but she's got big dreams for the
future, which involve chasing
fame, fortune and fucking. We
Club International folks can
probably help her out with all
three of those, if she wants to
stick around a little. Would that
be alright with all you out there
in readerland? Thought so.

THE BRITISH ARE CUMMING! AND THIS ENGLISH ROSE HAS PLENTY OF PRICKS ATTACHED! HAIL NIKKI!

> asty newbie Nikki Jayne hadn't long gotten off the plane from her native England before she'd secured herself the rare distinction of becoming a Vivid Girl. Even in the non-stop hustle that is the porn world, that's fast work. Nikki has taken to fucking on film like a duck to water, as this issue's On Set feature attests. Eager to find out what made this chick tick, CI's Eliza Starr had the following confab with her, and wound up impressed with Nikki's vitality, her positive attitude, and her C-cup tits (in no particular order)...

CI: Nikki, you've made a big leap from Manchester, England to Los Angeles with a Vivid contract. Tell us about the path that brought you here. Have you always been a "dirty girl"?

Nikki: Yeah. God, I was worse than I am now! When you're younger, your hormones are flying through the roof, and you just want to have sex all the time. I had a boyfriend, and we'd stay in bed and have sex all day. It's naughty as well, because you're not meant to be doing that, which makes it more exciting. I think that's why porn is really exciting for me. People think you're not supposed to be doing it, which makes it more appealing and titillating.

I've always been a jack of all trades. I danced on and off for two years, but I never really considered myself a stripper or a dancer. I did a little bit of modeling too, but nothing could keep my attention fully. Now I'm older and totally committed, and I'm going to stick with this. I want to be financially secure in my future, and I'm really focused on what I'm doing.

My first movie was The Initiation of Nikki Jayne for Harmony. It was shot in LA because I was here doing a TV documentary called Porn Week where I was the featured performer, like "Here's Nikki Jayne, she's new from England, and we're also doing her first movie." So I was doing interviews and being part of the production for the TV show, and at the same time I was doing the Harmony film. I'd already shot a couple of scenes for Porn Week in the Czech Republic; I'd done a girl/girl as well as a normal boy/girl and then when I got here, I figured, fuck it. You can have normal sex and a normal life, but I've got a lot of energy to give, and I want to do things in this work that I wouldn't be able to do in a normal life. I like to shock people. I'm kind of sweet and innocent looking, but in my movies I like to be ruthless. In my first

INTERVIEW

movie I did anal, DP and more, and that's going to be my selling point. I'm an angel in the light and a tiger in the dark. When I'm in a sexual scenario I can express that other side of me. I'm a Gemini, so I've got a dual personality.

Had you experienced these things in your personal life first?

I'd done anal before, because I'm a fairly experimental person, but I'd always been in one-on-one scenarios. I'd slept with girls before, but I'd never done DPs or slept with two guys at the same time. In that first movie, my first threesome, I kind of enjoyed it, but it was more that I like to see how far I can push myself. I really enjoyed my first movie that I made with Vivid, The Nikki Jayne Experience (see page 42). I loved it! It's a job, at the end of the day, you're being told what to do. You're not sitting at the beach sipping cocktails, you actually are working. It's not as simple as showing up, hopping into bed and having sex; you sit through make-up and styling, then take some photos, you sit around for a while, and sometimes things go wrong, or it's hot, but working for Vivid is amazing. The first scene I did was a boy/girl anal with Mick Blue in this grungy warehouse. I'd already broken the ice of performing, and I was comfortable, so I enjoyed it so much. I'd not done a lot of anal in my personal life, but it went really well, and it was great working with Mick. You've got to have chemistry or some kind of connection with the person because sometimes it flows, sometimes it doesn't. The second scene was with Meggan Mallone and a guy, and that was really good. Every scene I did I got really into, and then I did the DP scene, and that was like, Oh my God, it just blew my mind. Normally after getting pounded in DP positions, you'd be really exhausted, but it made me even more energized. It was that good!

Did you manage to get a few orgasms out of those scenes?

Yes, especially the DP - Oh my God, it was amazing! I did that with Mick Blue and Ben English. I hope I get to work with those two again.

Do you enjoy the exhibitionist aspect of sex in front of the cameras?

Very much so. I'll have sex anywhere! Everywhere you can think of. In England we have telephone boxes - I've had sex there. Do you have canals here?

Yes, in some areas.

You know those locks in the side of canals? I've had sex in a lock, on the bonnet [hood] of a car in the middle of the day outside a restaurant... Just mad places, and that gets me off more because you shouldn't be doing that.

Funny, because we tend to think of those scenarios only as movie pretenses.

No they're not - I've done them! Many of these are from when I was younger and didn't have my own apartment, or anywhere to have sex. I need someone adventurous in my life to bring that out in me. If I don't meet that match in someone, that side of me lies dormant. I'm so willing to do absolutely anything. I'm so daring, but I need to be dared.

We'll see how much Vivid can dare you! Maybe this is another reason why I'm in porn, because it's rare to meet someone who brings to light that side of me. Maybe they think I'm unapproachable, or they're intimidated or think they might offend me. I think I need to meet a real dirty bastard not just one who thinks he's a dirty bastard, but one who actually is. Most guys just want to cum anyway - they just want to get their dicks wet and that's it.

INTERVIEW

► What's your experience with girls?

I haven't had the chance to work with all the Vivid girls yet. I've worked with Meggan and Briana so far, and it was really good. I had a girlfriend back in England – well, I had two. One of my girlfriends was bisexual, and we used to sleep with guys together as well. Or if we wanted to get something out of a guy, we used to get him to come over, and we'd say, "If you do this for us, we'll have sex with each other for you and you can watch." It was our wicked way of getting what we wanted.

I bet it worked every time!

Oh yes. One night, we'd stayed in and wanted to have a silly night, but we drank so much and the shops were miles away. We just wanted to have loads to drink and have a fun time, so we called this guy and told him we wanted wine and cigarettes, and oh, pick up a pizza on the way, and we gave him a whole list of things and told him we'd have a big surprise for him. Then when he showed up I answered the door dressed in these black, knee-high PVC boots, and my girlfriend had on white ones. We used to do silly things like that, but it was worth it for the guy. But then my other girlfriend was a full-on lesbian and that was just like going out with a guy - it was a bit

"I LIKE TO BE DOMINATED; I LIKE ENERGETIC, EVEN VIOLENT SEX"

intense. I think with me I don't actually lust over women. A woman is like a vibrator – she can make you cum because she knows how to and she's got a better technique than a guy, so you can cum, but you don't lust after a vibrator. I appreciate a woman's body, and I like being with a woman because it's a little bit different.

Do you like to masturbate?

Yeah, God, yeah. I'm not the most sexual person – I think I've met girls who are far more sexual than I am – but if I'm single and I'm not really getting any, I masturbate every day. A lot of girls I know can't cum without using a toy, but I can, easily. I've got magic fingers! I used to watch porn, but now that I'm doing it I don't watch.

I don't think that I'd enjoy a gang-bang with lots of guys, but I kind of think of that when I masturbate. I don't think about the reality of it, but a fantasy is meant to be a fantasy. I always seem to fantasize about being with all those guys. I wouldn't do that in real life, and I wouldn't do it on camera, so it's something I know I'd never get to experience, and that's why I

fantasize about it. You can picture it in your head how you want it, but you know it would never be that good if you actually did it. I'm a bit of a romantic person too, so I also fantasize about something real that's happened, reminiscing about something that really turned me on so I can relive that moment.

What turns you on, excites you?

Crazy stuff – anything crazy! I like to push myself to the limit and be dared, so the dirtier the better, especially if it's something I haven't thought of on my own. I'm always bothered about the other

people's feelings and opinions. I'm willing to do anything, but you don't know if the other person is willing to do anything. I like guys who are uninhibited and will go to extremes. I like the guy who's very manly. I like to be dominated; I like passionate, energetic, even aggressive or violent sex. I like someone to slap me in the face or whip my hair back. I'm not into bondage, but I'm into pleasure/pain in a physical way, not a weird PVC, nipple clamp way. I'm not into planned, fetishy scenarios. I like the spontaneous; somebody to push me and surprise me and just do it. My inner thighs are sensitive to touch and I like

someone to stroke my hair. Even though in a sexual way I like things very hard, a soft touch can turn me on as well.

And what turns you off?

The guy who's talking all the way through it: "Oh yeah, say this to me, say that... It's nice to say things, but not constantly. It makes me want to put a sock in their mouth and tell them to shut the fuck up. Insecure guys turn me off: "Is my cock big enough for you?" I would never say that to someone: "Are my boobs big enough for you? Am I doing it right?" Or the guys who say sorry: "Oh sorry, did I hurt you?" I want someone to be confident - not cocky; I want them to be sure of themselves.

What's the best way to get you off? It depends on how I'm feeling. It's a lot easier to cum with a toy because it's more intense. I think I'm in between. If a guy goes down on me, I want to let the guy stay down there for as long as he needs to to make it happen.

Does size matter? How do you prefer your cocks?

Yeah, unfortunately it does. If you have a guy with a good-sized cock, every time he fucks you it's going to be amazing. With a small cock, you have to be extremely turned on and he has to be talented. I'm not saying that you can't have amazing sex with a guy who has a small cock, but sometimes it just doesn't get there. Obviously I'm very

much into dicks; I like to be totally overwhelmed by things, and I like rough sex as well, so I need a bit more than usual. Obviously it can be too big as well, but it's like saying do looks matter or does intelligence matter? Of course it does – everything matters, to a degree.

Your DP for Vivid was with two very large specimens.

Yeah, and I was proud of myself at that! I was talking to one of the girls, and she said you need to stick the smaller cock in your

pussy and the bigger cock in your ass, then it was time to change over, and I was like, "Oh my God, am I really going to do this?" But I did it, and it was an achievement. I was proud that I'd really pushed myself.

Speaking of sexual prowess, what do you think you're best at sexually?

When I was younger and more inexperienced I was a little bit scared of giving a blowjob. It's kind of really personal. Now I really love it. I love to deep-throat, and that's another way I'm pushing myself. I started to teach

myself with a banana, but then when I'm giving blowjobs, with each one you just start going a little bit more down, down, down, until you can take it all. Obviously in this industry the guys are kind of large, so getting there is an accomplishment.

What's a Nikki Jayne blowjob like?

I like my face to be fucked. I like to get the cock deep into my throat and then when it pulls out there's lots of spit. I like it messy. The guy can cum on my face or cum in my mouth – I'll swallow it; I don't care. Obviously I wouldn't wake up in the morning and pour myself a cup of cum, but I like the whole idea of swallowing. The taboo sense of it appeals to me.

Have you learned anything new from working in this business?

I've learned that being fit and healthy is extremely important. Always stay real. Keep

"THE GUY CAN CUM IN MY MOUTH – I'LL SWALLOW IT; I DON'T CARE"

your feet firmly on the ground and don't let things get in your head; don't let any negative comments bring you down. You've got to always stay positive, always sure of yourself, no matter what people say. I'm me – I'm going to be me and do what I want to do. I'm not a judgmental person. So many other people are, but it's just their opinion.

So true, and in our opinion you're a gorgeous, sexy woman who's happy with what she's doing. I think you'll have many fans who will agree.

I can't wait to make personal appearances and meet my fans too. They're the people who are going to make my career successful, so they're the most important thing. I look forward to making every one of them feel special when they meet me. They deserve a hug and a kiss, because that's a memory that will never leave them. And I like to make people feel good, because it makes me feel good. I will start dancing here once a few of my movies have been released and I have promotion out there. I can't wait! I hope everyone checks out my website at www.nikkijayne.com. It has footage not seen anywhere else, plus candid scenes, so people get to know the real me, not just the porno me. I want my fans to look forward to being shocked, because that's what I'm here to do. I want to be able to blow people's minds. I want them to think, God, she's so hot, but she's also sweet and cute.

I'm thinking that won't be a problem! 🕏

SEX VACATION!

Last summer my boyfriend Kyle and I went on vacation to an exclusive ranch-style hotel in Mexico. While there we made friends with this chick Casey, who was so stunning we couldn't believe she was vacationing alone. Over cocktails one evening she explained to us that she'd decided to take herself away to get over the break-up of a long-term relationship. And after she'd said goodnight and gone up to her room, Kyle and I decided we could help her out with that.

The following day found the three of us relaxing beside the otherwise deserted pool at noon. It was so freaking hot out there and it was about to get hotter! As Kyle lay stretched out on a lounger, his shorts couldn't hide the boner he always gets while sunbathing. Giggling, I pointed this out to Casey, who, daringly, ran a finger

Casey's pretty head was bobbing up and down on Kyle's bloated cock while he groaned in pleasure

along it. Just a soft little stroke, that's all it was, but it was enough to "awaken" the

"sleeping" Kyle.
"Whuh?" Kyle muttered, convincingly enough. Then, acknowledging the blatancy of his boner with a sheepish grin, muttered, "Gee - sorry, ladies."

"Don't be," laughed Casey. "It's only natural, after all. And, let's face it, it is a nice one...'

That was my cue to flip down the waistband of Kyle's shorts, revealing his boner in all its glory. "You said it," I laughed. Kyle's bulbous cock-head looked irresistible glinting in the sunlight, so I just had to plant my lips on it to give a tender kiss, and then a nice long suck. I heard Casey gasp in surprise, then felt her hands caressing my hair. Clearly, she wanted her own shot at this meat - so I offered it to her. And now it was Casey's pretty head bobbing up and down on Kyle's bloated cock, while he groaned in pleasure.

That "Poolside Stroke 'n' Poke" threeway photoset rocked my world! How many among us haven't stroked off while fantasizing about getting it on with two hot chicks at the same time! I know I have about a million times. Correction - a million and three, since I saw the aforementioned pictures. And I'm about to do it again, but before I do, I'll leave you with this thought: I swear that when I jerk off over pics of two chicks, I produce double the spunk. So if you ever run a four-girl set, I'm going to need a whole box of tissues!

Serial Spunker, by e-mail.

So it's not just our print run that's destroying all that rainforest...

I wish I could give you a blow-by-blow account of how things went from there, but everything was all such a mad rush. All I know for sure is that we all got ourselves a good piece of the other, one way or another. Casey licked my snatch so expertly I could tell she was no stranger to the art. But for me the best part was when Casey had center stage on the lounger, and I was fingering her creamy clam while she power-sucked Kyle's prong. Fingering, sucking and fucking our way to our respective climaxes, I'm sure each of us had the best sex of our lives. It was certainly our best vacation! Mexicunt, Minnesota.

STARRING

Shyla Stylez, Ashley Blue, Carli Banks, Karlie Montana, Evie Delatosso, Jamie Lamore, Jenaveve Jolie, Mikey Butders, LT, Mick Blue, Alec Knight

DIRECTOR

Patrick Collins

e all know how much sexual tension is locked up in cubicles in America's offices. Well, this movie lets it out! We begin with Shyla Stylez giving up her pussy to her boss LT by in her signature slutty style. This gets her buxom boobs bouncing, and eventually glazed! Then, scorning Ashley Blue's professional attire, Mick Blue has her strip down and provide possibly the wettest blowjob ever caught on camera, followed by tons of squirt-intensive action and loads of anal gaping.

Insatiable boss Karlie Montana covers Carli Banks' body with sticky notes that she later peels off while providing pussy-licking service to her colleague.

Mikey Butders is enticed by Jamie Lamore's butt, and it isn't long before she's honing in on his cock, although her blowjob seems too tight-lipped to be truly enjoyable. Sadly, the action here never truly ignites. Jenaveve Jolie and Evie Delatosso make up for that scene by having tons of fun with a clit wand and Alec Knight's dong.

Overall, it's a good day at the office!

FYTRAS

You can also enjoy a bonus scene that has Naomi taking on two cocks, explicit stills, slow-mo popshots, and trailers for future attractions. You're covered!

COME AS YOU PLEASE 2

STARRING

Alexis Texas, Maria Bellucci, Holly West, Rebeca Linares, Lexi Belle, Crista Moore, Shawna Lenee, John Strong, Mick Blue, Mark Davis, Jenner

DIRECTOR

Sid Knox

Il of the planets must have been in perfect alignment during this production, resulting in a movie that is sheer class, topped off with bootylicious babe Alexis Texas (top right) adorning the box cover. She shines in a butt-bouncing scene with John Strong that has her showcasing her blue ribbon blowjob skills and dirty talk while being utterly fucked!

Maria Bellucci (middle right), another sexy fucker, gets double stuffed when John Strong and Mick Blue decide to play hide the salami in both her holes. Then we see Holly West pulling her poon wide to let Mick Blue slide inside. The positioning of the two becomes a tad awkward, but is quickly remedied when Mick takes over and twists her where he wants her, namely on his mouth.

Spanish stunner Rebeca Linares (bottom right) delivers a typically fine performance, taking Mark Davis' cock in her ass while shouting obscenities in broken English. ¡Una qué muchacha! The action sizzles, especially when she juggles his balls in her mouth.

Fresh-faced cutie Lexi Belle then gets downright dirty while fucking Mick Blue, elevating her level of sexual education.

Finally, Crista Moore and Shawna Lenee work out their blonde ambition all over Jenner, leaving him sweaty and them wet. Utterly delightful!

EXTRAS

The extensive extras include ample coverage of behind-the-scenes fun, and a super-sexy photo gallery spread that includes all of the hardcore highlights of each scene. The cumshot recap option's an added treat, as is the display of trailers showcasing more diabolical heat to come. Well done!

3RD DEGREE FILMS

GIMME THE FINGER

STARRING

Chayse Evans, Brianna Love, Alexa Jordan, Ariel Summers, Rebeca Linares, Claudio Meloni, Alex Gonz, Joe Blow

DIRECTOR

Tony Vela

n this movie's opener, after Chayse Evans reveals that her first orgasm L came by way of a finger-bang, Claudio Meloni steps in to recreate that moment. He succeeds, of course, and keeps her riding the 0 train in reverse cowgirl and doggie.

Feeling finger-happy herself, Brianna Love (center pic) diddles her middle, and stretches out her ass atop a bank of stairs, luring Alex Gonz to stick his pecker up her pussy. Giggling, she proceeds to bounce on his stick, looking delicious throughout. She's our kind of gal! The next babe at bat is Alexa Jordan, who fantasizes about getting probed with digits. Next thing you know, in walks Claudio Meloni, who's already had some practice! He bangs her hard and fast, finger-poking between positions, and resting her snatch on his face for a little juice break.

Ariel Summers crawling to connect with her cock du jour, Joe Blow, leads up to great hardcore action in cowgirl and lots of sex across the billiards table.

Tried-and-true starlet Rebeca Linares sprinkles some of her magic on this production, closing the show on her knees to get her pussy and ass fondled by Claudio. After treating her like a pincushion, he bends her over a bar stool to give it to her in anal doggie.

This one's a good, solid production. No complaints here!

EXTRAS

Leave it up to 3rd Degree Films to assemble a fantastic still gallery spread. Numerous exceptionally well-shot pictures are included for your pleasure. Backstage fun is also a bonus feature on this disk, and the cumshot recap loop, should keep your hand happy for quite a while. It's upbeat action from beginning to end!

JESSE JANE: SEXY HOT

STARRING

Jesse Jane, Eva Angelina, Audrey Bitoni, Sarah Vandella, Manuel Ferrara, James Deen, Marco Banderas, Tommy Gunn, Johnny Sins

DIRECTOR

Celeste

Just when you thought juicy Jesse Jane couldn't get any hotter – she does! She positively beams here when paired with celebrated stud Manuel Ferrara, who eats her asshole and fucks her silly in a slew of positions that stagger the imagination. Honestly, I've never seen Jesse get fucked so hard or so thoroughly!

Eva Angelina follows that lead by churning out more heat than should be allowed while James Deen hammers her hole. She does her best work in reverse cowgirl, leaving her sexy glasses on for good measure.

Don't expect a break any time soon, because images of Jesse masturbating work you up for her wild ride with Johnny Sins that has him churning up cooze butter between her legs and enjoying her box of treats afterwards.

Audrey Bitoni, another sexy starlet, entices Marco Banderas away from his studies by waving her snatch in his face. Answering the primal call, he ravages her creamy cunt in cowgirl, and winds up coating her with frosting. Jesse ends the show by joining Sarah Vandella in the milking and boning of Tommy Gunn.

With Jesse leading a gorgeous cast of stellar, big-boobed starlets in *Sexy Hot* action, you can't go wrong picking up this title!

EXTRAS

Join Jesse and the other cast members in all-access coverage that will give you a fly-on-the-wall view of the making of the movie. But don't spend too much time here, because there's a lovely slideshow and photo gallery section waiting to be explored, as well as eight full-length trailers that have your name written all over them.

DVD ZERO TOLERANCE

STRIP TEASE THEN FUCK 10

STARRING

Malezia, Sasha Grey, Brianna Love, Diana Doll, Eva Angelina, Sarah Wild, James Deen, Trent Soluri, Mick Blue, Tommy Gunn

DIRECTOR

Mike Quasar

re you one of those people who get just as turned on by teasing as by actual sex? If so, this series is right up your alley, and this edition is a keeper! Honey-hued hottie Malezia steps into action first, bending and twisting for James Deen before he makes great use of her curves, riding her fast and keeping her nipples popping.

Up next, sultry Sasha Grey (top right) steals the show. Initially she reveals what she's been hiding beneath her panties, before delivering a flawless blowjob to Trent Soluri. He then has a ball watching her pussy liquid ooze in cowgirl and doggie.

Another cutie who knows her way around a cock is Diana Doll, who submits to Mick Blue and allows him to poke her at will. When engaged in side-by-side missionary position (as in the central pic), the heat's so intense you can practically see smoke rising from the sheets!

Brianna Love (the bottom pic, aptly) follows up that fine performance by licking and sucking James Deen's cock like it's a lollipop, before he churns his choad in her ass until she cums.

Stunner Sarah Wild takes a turn with Mick Blue, securing his cock between her tits and sucking hard, but it's covergirl Eva Angelina (top left) who earns the gold star when she makes Tommy Gunn give her all he's got – and then some!

EXTRAS

The option to watch the release in either Spanish or English is a nice consideration. But language barriers are transcended by the array of hardcore images available to view, the enticing collection of hot trailers and, yes – cumshots galore!

THE WHOLE ENCHILADA 3

STARRING

Bridgette B, Vanessa Lee, Esperanza, Monica Raiders, Cassandra Cruz, Katie Cummings, Anthony Rosano, Jerry, Rick Masters, Dick Delaware, Joe Blow, Talon

DIRECTOR

Donnie Cabo

y papi! See six gorgeous Latina lovelies in heart-thumping sex scenes, beginning with Vanessa Lee getting her ample clit slapped silly by Anthony Rosano's ball-sac in the reverse cowgirl position. Soon she's getting a clear view of his asshole in reverse piledriver. Kinky!

Following that there's an enticing, subtitled interlude between Esperanza and Cabo. This unfolds into a masterfully shot POV-style blowjob that leaves Jerry the recipient of Esperanza's spicy oral stylings and butt in her very first anal scene!

It's a mere blink of the eye before visions of gang-banger Monica Raiders invade the screen, along with plenty of upshot views of Rick Masters mixing up some salsa caliente between her experienced thighs.

Cassandra Cruz delivers more helpings of ass meat (to Dick Delaware) than any other featured lovely in this production. It's anal from start to finish with her gorgeous smile, rocking body and insatiable moans, all of which are enough to turn anyone into a Latinaholic!

Bridgette B, a boxcover babe in her first outing, ends the show by jockeying the juice out of Joe Blow and Talon in a threeway romp that proves Latina girls don't just do it – they do it better!

EXTRAS

As is customary for Vouyer Media, there are plenty of extras included. There are two bonus scenes featuring the oral delights of Katie Cummings and Vanessa Lee, a well-stocked stills gallery, bloopers, outtakes and various antics, as well as trailers for upcoming winners.

HOT WHEELS

DOES THIS DUSTER PASS MUSTER? YOU BETCHA, BUSTER!

n a world where there are so many darn Chevy Camaros and Pontiac Firebirds, it's a breath of fresh air to feast one's peepers on a muscled-up Mopar for a change. There aren't nearly as many hot Mopars around as there are the other brands, which is partly what makes them so very special. But although they're comparatively rare, we've got ourselves a beauty right here!

Five years ago, New Yorker Vincent Lopilato purchased this mean and clean 1972 Plymouth Duster, a Mopar that had been purposefully set up for hardcore drag strip action. Highly competitive in both the Super Stock and Pro Street classes, this here Duster had been a definite hellraiser at the strip in her time. Time slips in the

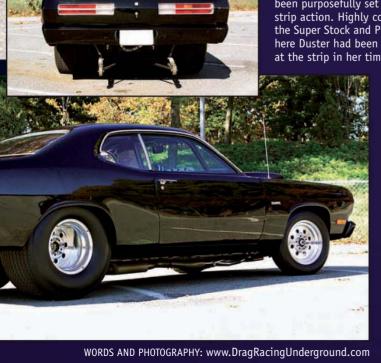

> mid-eight-second zone at over 160mph that came with the car are proof positive of that.

> Of course, Vincent had to make a few changes necessary to render his black beauty street legal in order to quarantee the pleasure of being able to cruise in her. And although she's now drivable on the road, she still has more than enough brutal muscle on board to shake up the pavement.

Under this car's hood sits a potent 340 Mopar Duster motor that's capable of generating a whopping 800 horsepower. Add a little nitrous from its trick two-stage system and we're talking well over a thousand horseys! That's an awful lot of kick for a street car, baby! There are also plenty of aftermarket goodies in the immaculate engine compartment. A Barry Grant carburetor sits proudly atop the powerplant, while Indy intake manifold and cylinder heads also contribute to the motor's ability to create mucho Mopar mayhem. Eagle crankshaft and rods help make this babe a top performer, and an MSD ignition guarantees trusty starts. While a MagnaFlow fuel pump ensures that this gal never gets thirsty for octane, a Select transmission, controlled by a Cheetah SCS shifter, helps get the engine's massive power to the rear. So the ride's a powerful one, but it's comfortable too, thanks to the complete four-link suspension system. Headers and Flowmaster exhaust pipes ensure that this car's not only seen, but that she's easily heard too. Wildwood brakes make certain she can stop on a dime, on her Mickey Thompson tires around Draglite aluminum wheels. And for safety concerns, a full roll cage is integrated into the suspension and frame. Yup, this babe's got it all!

Street or strip, this Mopar's a trip. Vincent's '72 Duster is a showpiece and a go-piece!

A WOMAN'S PLACE IS ON MY FACE!

It may sound crazy, but I'm not sure if I'm a lesbian or not! That is, I'm bisexual-ish, in that although I like sleeping with guys every now and then, I have a pronounced preference for screwing other chicks. So I'm probably like four-fifths lesbian or something! Lesb'n, maybe! Sure, guys are cool, but when it comes right down to it, "I'd rather fuck some cunt than some cunt's cock," to quote the spray-painted T-shirt slogan of an old dyke friend of mine. Funny thing is, these days she's more into baking brownies for the church social... But I digress. I'm primarily about the pussy, as I said, and I scored some primo poon last Friday night.

I'd met Suzy, the chick in question, at a bar. Not some lesbian joint, just the regular bar my work colleagues and I usually have a few beers in after we clock off Fridays. Well,

How much do I love that pussy-on-face thing! The velvety sensation, the taste, the musky aroma...

when I spotted so-sexy Suzy giving me the eve, I could hardly believe my luck, even if I am pretty hot myself. And emboldened by a few beers inside me, I had no qualms about putting on my lesbo hat (so to speak), and going over to speak with her. Not that it was much of a conversation. Not in that way. We let our hands do most of the talking, if you know what I mean. Her ass felt firm and round, and I wanted it.

Cut to the chase; less than an hour later Suzy and I were writhing around naked on her living room floor. With her sitting on my face, it was like I was wearing her for a Halloween mask! How much do I love that whole pussy-on-face thing! The velvety sensation, the sweet taste, the musky aroma... You just don't get that from the cock. Spunk, of course, you do get, and this girl does have to get her jizz fix every so often. But Suzy's succulent cooze juices

trickling down the V in my tongue felt every bit as satisfying. Like girl goo, if you will. Truly tasty stuff, and as I pulled apart Suzy's asscheeks and gulped down the first creamy mouthful, I climaxed with two of her fingers urgently pistoning my cooze. And then she bent down to lick at the

trickle of love juice that leaked from my own happy hoo hoo. I let out a long sigh, then, just for the hell of it, rubbed my face some more in that fantastic snatch.

We've got a date next Friday, and we've agreed that it'll be Suzy's turn to cum! Muff Buff, Michigan.

Your January issue's interviewee Jana Cova has been one of my favorite sex stars for quite a while now. Jana's a one-off, to be sure. There's so much to like about her, but for me her finest feature is her tush, which as you pointed out, is a truly fantastic specimen for such a slender little thing. You also point out that she doesn't take cock in that fabulous keister, which seems an awful waste to a seasoned ass sex freak like myself. What wouldn't I give to breach that tight, warm passageway - and it really would be tight, given the lady's petite stature - and then blow an almighty load deep inside her. Jana, if you're reading this, please relent, and show us some dick drilling your dirtbox. Heck, I'm begging you. I'm getting down on my knees for you to get down on your knees!

TWO'S COMPANY, THREE'S AN ORGY!

Dear Club International, Feminine intuition can always be relied on to put us girls wise when our weaker halves are getting some pussy on the side, but it nevertheless comes as a shock when you actually catch the two-timing traitor in the act.

A double shock in my case, since the scheming slut bouncing up and down on my boyfriend's pole was my best friend Lenore. I'd always known Al had a soft spot for her, but I never expected to walk in on the two of them doing the nasty on the sofa I'd paid for!

"Why, you lousy, sneaky bastards!" I hollered as I bolted across the room and grabbed Lenore's arm, just as she tumbled off my boyfriend's cock. But instead of giving my love rival the slap she richly deserved, I held the sexy bitch close, and stuck my tongue down her throat. Hah! Unexpected? That's my middle name! Meanwhile, Al whimpered apologetically, not now knowing quite what to do with his illicit boner. I had the moral high ground and the upper hand here, and I was going to make them count.

engorged, and her nipples were protruding like rubber bullets. This I took as an open invitation to drop my panties and join the action.

"Think you can handle two horny ho's, mister?" I sneered at Al, who was evidently surprised to discover that he wasn't the only one eager for a dive in Lenore's ginger muff. "C'mon, mister, show the bitches some bone!"

Grabbing hold of my man's shaft, I stroked him hard before feeding the now-rigid meat into Lenore's cute mouth. "That's it, babe – you wanted it, take it all, suck it," I purred as Lenore began to gag, and Al groaned. Then I sprawled out on the sofa, my legs spread-eagled, snatch pink and glistening wet as I strummed my stiff clit.

"Al, honey – lick me out," I demanded. "Now!"

Lenore shoved her face right up against my dripping delta. As her tongue circled the inner folds of my pussy lips, I glanced to the side and saw Al's hard-on all shiny from Lenore's saliva.

"You want her, then stick it in her now, big fella," I insisted as Lenore's tongue got my hips bucking.
Kneeling behind Lenore, Al guided his manhood into her sticky slot. I could feel her hot breath panting into the depths of my poon.

Fuck, she was good at chewing the clam, and quickly had me on the brink of a minor climax, and as soon as I let out a moan of pitch that all I now wanted was for something big and ugly to vandalize my vulva. "Sit on her face," Al barked

at Lenore. He withdrew his cock from my mouth, as Lenore lowered her cooze down onto my tongue. Then I felt Al's hands spreading my thighs as he targeted his missile at my gash.

Lenore's beaver had a musty perfume, and her discharges formed an oil slick on my tongue. Her wispy ginger pubes did nothing to hide her erect clit, as she ground her undersides down onto my face. Al was obviously turned on by the girl-on-girl spectacle, as I then

felt his girth thrust deep into my velvet glove, almost lifting me off the sofa. He pumped me hard and fast.

I SPRAWLED OUT ON THE SOFA, MY SNATCH PINK AND GLISTENING WET AS I STRUMMED MY STIFF CLIT

"If you want him, you'll have to come through me first!" I snarled at Lenore while slipping a hand between her legs. She gasped as I stroked her moist labia. Her clit was

sheer pleasure, Al whipped his pecker out of Lenore's poontang and stuffed it down my throat. His dick tasted of her cunt juice.

The two of them worked me up into such a fever

I was overwhelmed. Smothered with sweet crimson pussy, impaled by bone, I writhed and squirmed in an oncoming orgasm that now began coursing through my entire body. And when Al withdrew from the conjugal tunnel, I could feel my love juices trickle down the crease of my ass onto that expensive leather sofa.

Then, as if to prove a point, Al turned his attentions back to Lenore, who licked my lube from his schlong. Then he pushed

her forward so that her mouth was within licking distance of my pussy, while her rump offered him rear access to her pussy, just inches away from my face. I watched, close up, as his gnarled organ plunged into her juicy fuck flower, and I felt her teeth nibble my clit as her quim dripped its cream onto my lips.

I didn't need any female intuition to know that this tawdry triad was pregnant with the possibility of multiple orgasms. Triangulated Tushy, Alaska.

Dear Club International, I'm a rampant lipstick lesbo who just loves any opportunity to snag myself some fresh punani. My beloved live-in girlfriend works nights, which is usually when I'm at my most horny, so I'm very lucky that she's cool with me trying out other pussy while she's away. In fact, it really turns her on to hear of my adventures, then re-enact them with me the next day! So I get twice the fun – but then I always was a greedy girl!

One particular sultry night I was cruising a local girlie hangout looking for a cute pick-up. I'm really into being feminine, and love my girls that way as well. And I soon spotted this sweet-looking blonde who was just how I like them, and really made my pussy throb. She had cropped blonde hair and a really pouty full red mouth, big kahunas and a great firm,

round butt. "She'll do nicely," I thought.

My big come-on to this cute blonde called Anna started with me following her into the restroom. where there was already some interesting action going on in some of the cubicles. She'd been giving me the eye across the bar, so I figured she wouldn't mind me following her into a cubicle to get better acquainted. At first she looked a bit surprised, but then she grinned as she pushed the door shut behind me, and we got friendly for a while. Yes friendly in that way! Anna had great tits, and her nipples were really hard when I sucked them, but I wanted to enjoy this cutie properly in the comfort of my pad. So what if my girlfriend came back early we'd just turn it into a threesome! Besides, I had some great sex toys I wanted to try out on this lovely lady!

Back at mine, we didn't waste any time. In fact we were so turned on we never even made it to the bed, but stayed writhing

➤ around on the sofa. We quickly got naked and I got a great eyeful (and mouthful) of Anna's juicy melons before getting into a 69 position – my favorite! My cunny was dripping in anticipation, and while I buried my face in Anna's

When it was my turn with the strap-on, I buckled it on – this time with my super-fat, realistic ten-inch prick dildo – complete with balls! I wanted to give this babe the ride of her life. First I was on top of Anna, qiving her every fat inch of throwing in some fancy pelvic wriggling.

"Yeah, babe – enjoy every inch," I replied before we swapped positions, and she rode me cowgirl-style to seventh heaven, while I squeezed those magnificent jugs. I guess I wasn't the only greedy girl, because the fun didn't stop there. We wanted another climax each at least before the night was through!

Next up, I was fingering Anna's juicy pussy and licking her tight little asshole as she wriggled her sassy butt in my face, all in preparation for my next toy – an anal vibe. First I eased it into her soaking snatch so the juices could lube it up ready for her cute

cornhole. Anna begged me to fuck her ass, so I worked the vibrator easily into her puckered sphincter. As I upped the tempo, she groaned in pleasure while rubbing her clit, so I helped out with my tongue. She came with honey juices all over my face, and I took the opportunity to kiss her gorgeous mouth so she could taste the girl-cum too. This time I didn't need any toys to get me off. The pair of us climaxed together, rubbing our deliciously wet cunts against each other in juicy orgasm. This blonde's such a good find, I'm definitely suggesting a threesome next time! Lipstick Lesbo, New York.

MY CUNNY WAS DRIPPING IN ANTICIPATION, AND I BURIED MY FACE IN ANNA'S CREAMY COOZE

close-cropped creamy cooze, she was hungrily tonguing my slick, swelling gash. We were both moaning in pleasure and grinding into each other. There was only one thing we needed now, and that was some firm dildo thrusting! So I rustled up some of my twat tools, letting Anna have the first go wearing the strap-on with the double-ended jelly dildo. Lying back on the couch, I let her straddle me, pumping one end of the dildo rhythmically into my sopping cunt as the rest of it disappeared into her slippery love box. Believe me, it didn't take me long to reach a shuddering climax - but of course I was soon hungry for more!

that monster dick, and boy, did she love it!

"You've done this before!" she panted as I kept up the pace, every now and then

ASS IN THE GRASS!

Dear Club International,

When I first dated my girlfriend Shelley, she looked like butter wouldn't melt in her mouth. But as soon as I got her in the sack for the first time she proved she could be a down and dirty, cock-hungry animal! I'll give you an example...

Recently Shelley and I went for a weekend in the woods. After we'd set up camp in a secluded spot, she decided she wanted to go skinny-dipping, so we went down to the stream. In no time at all she'd wriggled out of her clothes and jumped in, and I wasn't far behind her!

I could tell that being naked in the open air was turning her on, because it wasn't long before she started fondling my meat under the water, and squeezing my balls. Shelley led me from the water by my dripping dick, then pushed me up against a tree. She kissed my chest and belly before dropping to her knees in front of me, wrapping her fist around my thickening tool, which she slid between her warm, wet lips.

It felt incredible as Shelley worked her soft, flickering tongue around my cock-head, moaning as she moved her lips back and forth and slowly jerked my shaft. By now, my hard-on was like steel as she noisily slurped up and down it, and I could see that her other hand was busy between her smooth thighs, stroking her juicy pussy.

After a few minutes, Shelley leaned back on the grass, pulling me down on top of her. Reaching underneath, she grabbed my fat cock and guided it toward her dripping cunt.

MY BALLS SLAPPED AGAINST HER ASSCHEEKS. "YEAH," SHE MOANED. "FUCK ME WITH THAT BIG, FAT COCK!"

"Uhhh," she groaned, as I slowly pushed my helmet into her twat. Then I pulled nearly all the way out before sliding my full length back up her sopping snatch so that my heavy balls slapped against her asscheeks. "Oh yeah," she moaned. "Fuck me with that big, fat cock!"

I obliged by slamming my hard cock in and out of her slippery fuckhole with a sure, steady rhythm. Shelley helped out by raising up her legs so that I could fuck her really deep, and I could tell that she was going to come hard.

Sure enough, I soon felt her cunt muscles

DIRTY WORDS

contract around my rigid tool, and she gave a guttural cry as a warm gush of pussy juice flooded out over my cock and balls.

I slowed my pace to let Shelley recover, and she said, "I want to ride it, honey..." We moved around so that I was sitting with my back against the tree, with her squatting above me, slowly lowering herself onto my throbbing prong.

As Shelley rode up and down, I could see more of her juices flowing down my shaft, and feel them dripping off my balls. No matter how turned on I knew she was by the thrill that we might be discovered, what happened next still took me totally by surprise. Raising herself up off my quivering fuck-stick, Shelley whispered, "I want to feel it in my ass. Is that a bad thing?"

After I assured Shelley that, on the contrary, it was a very good thing indeed, she leaned forward, and lowered herself so that the head of my dick was pressed up against her tight little butthole. I pushed forward a little, and she gasped as the fat knob began to open her up. Very slowly she pressed down until my cock

had disappeared up her ass. Man, what a feeling! It took my breath away as she began to ride me again and I squeezed her buns as she slid up and down my thick shaft. She was moaning and groaning, and her heavy breasts were swaying in front of my face. I looked down and saw that now a veritable river of girl-cum was flowing from her cunt, lubricating my cock with every stroke. This was driving me crazy, and I could only take so much. Putting my arms around Shelley, I leaned forward, tipping her onto her back in the grass, and began to pound her A-hole with my engorged prick, slamming it in and out of her with frenzied speed. Knowing I was getting close, she said, "Don't cum in my ass, baby - I want to see the stuff come out of your dick..."

That sent me over the edge, and as I pulled my cock out of her sweet ass, she grabbed it and began to jerk me off. Thick jets of cum flew from my slit and splashed again and again over her belly and breasts.

So if you want some hot ass action, get your ass out to the woods! Ass Master, Arkansas.

Dear Club International.

I work in a health spa, and when my boss is away, one of my duties is to make sure everything's properly locked up for the night. So I often have the swimming pool all to myself, a fact I took advantage of one evening recently by luxuriating naked alone in it. Actually, I did more than that. Being the naughty minx that I am, I fingered myself to orgasm imagining a sexual encounter with my boss.

As I bobbed about in the shallow end, with two fingers of one hand deep inside my slit and two from my other hand massaging my clit, I let my mind drift and get lost in my fantasy fuck scenario. In it I was in the same situation, playing with my pussy after hours in the pool... Suddenly I heard a door slam. Looking up, to my complete horror, I saw my boss, Dean. He didn't look at all angry, though. Quite the opposite, in fact, judging by his wide grin. While it was obvious he was enjoying the show, to be on the safe side I

stopped what I was doing and feigned horror.

"Oh my God!" I said. "I'm so sorry! It won't happen again! Please don't fire me!"

"Fire vou?" Dean replied. "Of all the four-letter words beginning with F, that wouldn't the first one that comes to mind..."

Turning on my acting skills again, I pretended to be shocked by his implication. "Gosh, I'm not that kind of girl, sir."

"Really?" he replied with a grin. "You could have fooled me, diddling yourself naked in my swimming pool."

It was time to drop the act. "Busted," I said. "So that word you had in mind. Was it 'fuck'?"

In a flash, Dean was out of his clothes and standing over me, cock in hand. Now let me tell you, while for many girls, penis size may not matter, I'm a complete size queen, and won't let a man inside my cooze unless he's brandishing at least eight inches of sex pistol and it has to be thick, too. Luckily for my boss - and me as well - he more than measured up.

"Nice," I said. "Now sit on the edge of the pool."

He did, and I turned around in the water so that my mouth was just about an inch away from the head of his now-stiff cock. I flicked my tongue teasingly at the tip until a pearl of pre-cum appeared in his pee-hole.

"Mmmm," I murmured, before dipping the tip of my tongue in his hole to taste it.

Dean shuddered, and I

grabbed his cock by its

base, wrapped my lips around it and slowly slid my mouth down it until my lower lip was nudging his sac. Then I wrapped my arms around the outside of his thighs, and started bobbing on and off his swollen member.

"God, you're good," my boss managed to say

between groans.

Pulling my mouth off his gorgeous cock, I said,

DIRTY WORDS

Yeah, I know, But now I want to know how good you are - so fuck me, baby, and fuck me hard!"

I moved back so Dean could slip into the water. Then I turned my back on him to let him take over. He grabbed me by the waist

"NOW I WANT TO KNOW HOW GOOD YOU ARE – SO FUCK ME, BABY, AND HARD!"

and pulled me toward him. With his hands holding me afloat, he bumped his cock-head against my slit. I was soaking wet inside as well as out, so my cunt lips immediately parted to admit the first few inches of his fat dick. Just as I was wondering how great it would feel to have all of his hugeness inside me, he suddenly let me know, slamming me onto his boner and holding me there. Then, aided by my buoyancy in the water, he started moving me in a circular motion around his prick. It felt sensational being rotated on a guy's dick by my snatch. I felt as though every nerve in my body had been exposed, and I knew that if we carried on like this much longer, I was going to cum really quickly. Sure enough, mere moments later an orgasm hit me so hard I started splashing about in the water, my arms flailing wildly. My boss held me tightly on his cock as he too came.

In reality having fingered myself to climax, I lay alone in the pool regaining my breath when suddenly I heard a door slam... Water Babe, Georgia.

Dear Club International,

"Pizza delivery guy has sex with horny housewife." That's something of a cliché, I know. But there's a lot of truth in clichés. I know, because I'm a pizza delivery quy, and I get laid as often as a rock star.

Take last Saturday afternoon for instance. Carrying a pizza box, I rang the doorbell of a home in a leafy suburban avenue. The door was opened by a knockout blonde.

"Your delivery, ma'am," I told her with a smile. "Thin crust pepperoni with extra cheese, one side of fries, one of slaw, and a complementary can of soda." That is, I think I said it right.

She undressed me with her eyes and said, "Great. I wasn't expecting you to come quite so soon."

Coming soon - me? That immediately triggered a vision of me cumming all over her heaving hooters. To say she was stacked would be an understatement... I was snapped out of my sudden reverie by the goddess saving, "Please

step inside a moment while I fetch my purse. How much do I owe you?"

"18 bucks on the nose, ma'am," I answered, before following her inside.

"Shut the door behind you - I'll only be a few moments," she said. Waiting in the hallway, I was still

batting around that image of her with my iizz splattered all over her tits and dripping off her erect nipples... Well, blondie eventually returned a little later than she'd led me to believe. Like I minded, given that she was wearing a skimpy robe that she was

having to hold closed with her hands. Now, I've been accused of being a bit slow on the uptake at times, but even I knew for sure some

"Fuck the purse," she replied, opening the gown. That made her boobs bounce, which took me back to my fantasy of coating

kind of sexual encounter was in the cards. So I felt bold enough to say, "I thought you went for your purse. Where you got it hid, lady?"

them with my cock custard. Then my eyes drifted south to her totally shaven cunt. She sure was a beautiful sight. It was like I'd died and gone to Heaven.

"So what do you think of the merchandise, honey?" said the blonde.

"I'm buying," I replied.

"Then what you waiting for, stud?" she said. "Off with that hideous uniform, and let Lucy see what you're packing.'

Naturally I did exactly as I was told, and when I dropped my pants, Lucy let out a huge gasp.

"Oh my God!" she said. "I'm going to have some fun with that fucking beast!"

With that, she pushed me against the wall and dropped to her knees, taking my cock in her right hand. Then she jammed all nine

inches of it in her mouth. and started sucking it. While doing this, she gently squeezed my balls, which made my already hugely swollen cock get even harder.

"Oh veahhh!" I grunted loudly. "That's it baby, milk me! Milk me!"

At my behest, Lucy increased her sucking action, and squeezed my balls just a little bit harder. That was all it took. Inside 60 seconds a torrent of my man cream had rushed up my dick shaft to spurt out into the babe's mouth. And she swallowed it!

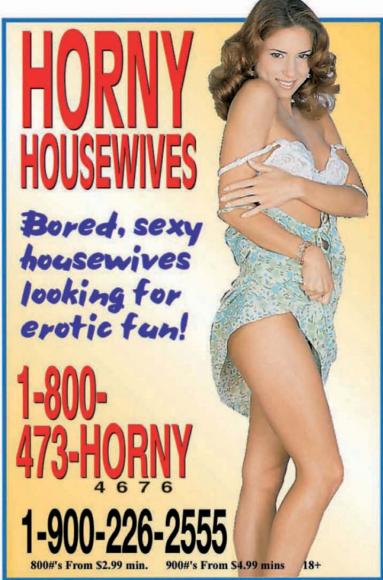

Once she'd wiped her mouth clean, Lucy said, "Now follow me." She led me into her bedroom, where she hopped up on the bed and assumed the doggie position, propping her ass and pussy high in the air.

"Okay, stud," she said, looking back at me over her shoulder, "You're my dog and I'm you're bitch - now rut me to orgasm!"

Scrambling behind her, I quided my helmet into her cunt. Then, gripping her hips, I slammed my dick into her to the max. She gasped her approval, so I began pulling and pushing her on and off my cock. She loved it. I know, because every time I slammed her with a full-force downstroke she thrust herself backwards to quarantee that I drilled her balls-deep, I rammed, slammed, jammed and banged that bitch as hard and fast as was humanely possible until she started panting frantically. Then Lucy started shaking uncontrollably, obviously in the initial throes of climax. As she started cumming, I inexorably kept up the pace of my thrusts until about 30 seconds later, just as I was about to cum, I pulled out, flipped her over and shot my entire load all over her tits. A dream come true!

"Wait a second," giggled Lucy. "I don't recall ordering extra topping!" Hooter Coater, North Dakota. 🕏

T's only natural. Stelliana wants to show off her sexy new underwear to her man James, and he wants to record the moment for posterity on his cell phone camera. It's perfectly understandable – as is what happens immediately afterward. The click of the camera is followed by a clunk as it hits the floor, and then begin the licking and sucking noises, and the sounds of clothing being torn off, and lots of "ooooh" and "mmmm" – and then the rapid squishing and slapping noises that can only mean the red-hot fucking is under way. The sound is unmistakable, and we'd know it even if we didn't have the pictures. But we do, because our camera at least is busy snapping away. Say cheese, Stelliana. Okay, "Give me that big, hard fucking cock" will have to do. ♠
